- Week 9 July 27-31

At Camp Chippewa, our focus is on making connections with Christ and others. Campers have an incredible time because the activities and programs are tailored towards their interests. We create opportunities for engaging and motivating social experiences, and we support campers while they try new things. Summer camp is a formative experience, and we want everyone to experience the benefits of an incredible week with friends. We'll always eat, sleep, and swim everyday, while facing new challenges, learning new skills, and growing closer to God with our lifelong friends. We'll worship. We'll laugh. We'll stargaze and dream. We'll get out of comfort zone (in a good way!) We'll eat s'mores, play in nature, and most importantly ... **we'll have fun!**
